Oil Painting by De Scott Evans

*Still Life: Medical Subject*

De Scott Evans was a prolific, nationally known painter of portraits, rural scenes and still lifes. He opened a studio in Cleveland in 1874, and was a founding member of the Cleveland Art Club in 1876. Evans moved to New York City in 1887 where he presented his work at the National Academy of Design. He continued to show his work in Cleveland. Evans painted this still life, which hangs in the Dittrick Museum, for Dr. H.C. Brainerd in 1876.
