## **About the Logo**

The AAHM2018 logo is based on the public domain cover image from an August 1947 revision of a March 1946 brochure published by the Los Angeles Department of Water and Power, entitled *F.O.B. Los Angeles*. This promotional brochure aimed at getting businesses to re-locate to economically-booming postwar "Forward Operating Base" L.A., emphasizing Los Angeles' location as a gateway to the Pacific Rim.
